

Dear Sylvie, students + staff  
at Holy Family Catholic School,  
congratulations on another  
inspiring year at local +  
global change with your we  
schools group! we are so  
impressed with your efforts  
through the Dance-a-mon and  
other creative initiatives to  
empower communities abroad,  
and even surpass your global  
goal. You are true leaders,  
and we want to share a  
photo with you from Haiti,  
since these impacts wouldn't  
be possible without schools  
like yours. THANK YOU!

Have a great summer,  
Taylor + the we Schools  
Team :)
