

Holy Family Catholic School Lunch & Milk Orders

Hello, the Holy Family Catholic School lunch & milk program has started, so it's time to place your child(rens) food order - the due date is **Monday November 20th**. The Hot Lunch program provides variety for your child and is a fundraiser for your school. Don't delay as late orders will not be accepted. If your family already has an account from last year, then just go to www.sololunch.com and login with that username (something like hfa034) and your password. Don't worry, you will be sent a reminder email to the email account that was previously setup with SOLO, with your login and password. When you login, you will have to update each child's teacher, so that the orders will be sorted properly. Then, the current order will automatically be displayed when you click Order Food for 'Johnny'. If you haven't yet tried SOLOlunch.com, please follow the First Time Instructions below. If you have any difficulties with the order process, please don't hesitate to contact familyadmin@SOLOlunch.com.

First Time Instructions for Hot Lunch Orders - SOLOlunch.com

The first time you login, you have to be assigned a Username. To receive your username, create your own password, and begin ordering you will need to:

1. Go to www.SOLOlunch.com and Click on '**No Username Yet?**' to the right of the login box. Then, select your school, and enter your school password **hurricanes**. (You will select your own password in Step 3).
2. Then click on 'Get Family Account', which will provide your family with an automatically generated username. Your username will be your school prefix name followed by three numbers (**like hfa034**). This username is unique to your family.
3. Go to SOLOlunch.com now and login with that username and your school password. This will bring you to the Family Registration page. Create your family account by completing this form. It is important to change your password from the one provided by your school to your own private password. Record your username and password in a safe place. Fields with an asterisk (*) must be filled in.
4. Click on 'Save Family Information', and the 'Family Information' page will appear requesting your child/children's first name(s) and teacher selection.
5. Click on 'Child/Children information, and your setup is complete.
6. Click on 'Order Food Now' and 'Ordering Instructions' will appear, giving you the opportunity to order food for every student in your family, print a summary page and return the top portion to your school, with a cheque, by the due date. On this page you can also view your family lunch order summary, modify your family information or logout.
7. If you misplace your username and/or password or have difficulties with your order, please contact your school's SOLO administrator, familyadmin@SOLOlunch.com, to have it reset.

Your privacy is of the utmost importance; our policy is posted on the website. Thank you for supporting your school fundraiser.

Holy Family Hot Lunch News

Did you know:

- Hot Lunch is a school fundraiser; money raised goes back into the school. Last year we bought water bottles for students and a new water bottle filling fountain.

We are currently offering Hot Lunch 2 days/week, with the Grade 8's having a Pizza fundraiser 1 day/week. We need volunteers to sort/deliver lunches.

Why volunteer?

- It's fun & social!
- Get to see first hand what kids are eating and saying about their hot lunch.
- Online volunteer scheduling for increased flexibility with Signup Genius.

If you interested in volunteering 1/month or weekly and you have CBC on file with the school we would love your help.
